

custom made composite afo's

by CUSTOM COMPOSITE MFG, INC

A. FlexorBand

Benefits: Wide range of motion (-30 degrees dorsiflexion, unlimited plantarflexion), lightweight and low-profile

Indications: Drop foot with wide ROM required

Activity Level: All activity levels

Suggested L-Codes: 1980, 2210, 2755, 2820

B. Lateral Strut

Benefits: Dynamic toeplate response, mild lateral ankle control, lightweight and low-profile

Indications: Drop foot or similar

Activity Level: Low to moderate activity levels

Suggested L-Codes: 1940, 2755, 2820

C. Posterior Lateral Strut

Benefits: Dynamic toeplate response, mild recurvatum control, lightweight and low-profile

Indications: Drop foot, MS patients needing mild recurvatum control

Activity Level: Low to moderate activity levels

Suggested L-Codes: 1945, 2755, 2820

D. Spiral

Benefits: Dynamic toeplate response, mild ML and AP control at the ankle, lightweight and low-profile

Indications: Drop foot, MS, flail foot, stroke patients without spasticity

Activity Level: Low to moderate activity levels

Suggested L-Codes: 1950, 2755, 2820

E. Hybrid Medial Strut (as shown, or with calf band)

Benefits: Dynamic heel and toe response, mid stance ankle control, lightweight and low-profile

Indications: Drop foot, stroke patients without spasticity, CMT, MS patients that need more mid stance control

Activity Level: All activity levels

Suggested L-Codes: 1940, 2755, 2820

F. Solid Ankle Posterior

Benefits: Ankle stability, hind foot control, heel protection

Indications: Calcaneal fractures, hind foot instability

Activity Level: All activity levels

Suggested L-Codes: 1960, 2755, 2820

G. Solid Ankle Anterior Medial

Benefits: Highest level of ankle stability, maximum floor reaction, most rigid design

Indications: Ankle instability, ankle fracture, CMT, failed fusion, knee instability requiring floor reaction AFO

Activity Level: All activity levels

Suggested L-Codes: 1945, 2755, 2820

Each AFO is custom made from a cast and comes with a foam liner, Velcro® strap and custom foam footbed. For additional product information, casting instructions and order forms, visit www.cc-mfg.com or call us toll free at 866-273-2230.
